United States Department of State

Washington, D C 20520

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed Manufacturing License Agreement with Japan.

The transaction contained in the attached certification involves the export to Japan of technical data and assistance in the manufacture of the Conex Gyro Mod I for end-use by Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 212-02

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives
